

# SKILLS SHOOTING CAMP 2026

Where Shooters Are Built.

 Kolašin, Montenegro  
 July 7 – July 12, 2026  
 Boys & Girls | Ages 8–18

## The First Specialized **Shooting Camp** in the Region

This is not a traditional basketball camp.  
This is a structured performance system.

### **We combine:**

- Elite Shooting Development
- Full Competitive Camp Structure
- Individual Skills Academy Approach

The goal: build complete, confident, game-ready shooters.

## Intelligent Development Over Random Repetition

We focus on:

- Shooting mechanics refinement
- Lower-body balance & footwork precision
- Decision-making speed
- Shot selection intelligence
- Mental stability under pressure

*Every drill has a purpose.*

*Every repetition has a correction.*

## More Than Just **Shooting**

This camp blends three performance layers:

**Specialized Shooting Lab**

**Competitive Game Structure**

**Individual Feedback System**

*Players train, compete, analyze, recover, and improve — daily.*

*This is complete player development.*

## Designed for Players Who Want More

For boys and girls (ages 8–18) who want to:

- Master shooting mechanics
- Improve catch & shoot efficiency
- Develop off-the-dribble scoring
- Excel in transition shooting
- Score under defensive pressure
- Move without the ball
- Build a repeatable, automatic shooting routine

*Serious players only.*

# Not Just Reps. **Intelligent Reps.**

- Professional video analysis
- Technical correction in real time
- Shot chart tracking & progress monitoring
- Psychological workshops (confidence & focus)
- Game-speed shooting challenges
- Structured performance model

*Data. Feedback. Correction. Growth.*

WHAT MAKES THIS CAMP DIFFERENT?

## A Structured **Performance Day**

Each day balances intensity, correction, competition, and recovery.
